

S.N	Topic	Learning Tools	Training Fee
1.	VLSI Design using VHDL	Xilinx, Modelsim, FPGA Kit, VHDL	5100
2.	VLSI Design using Verilog	Xilinx, Modelsim, FPGA Kit, Verilog Language	5100
3.	Embedded System Using 8051 Microcontroller	8051c, Kiel Compiler, Proteus simulator	4500
4.	Embedded System using AVR Microcontroller	AVR Pro, Kiel Compiler, Proteus simulator	5100
5.	Robotics with Arduino	Programming on Arduino kit	5100
6.	Hardware Board Design, Manufacturing and Testing	Board Development, board testing and debugging, Proteus tool, PCB	3500
7.	UPS and Inverter Design	UPS and Inverter Design & Manufacturing	3000
8.	DC Power Supply Design	DC Power Supply Design & Manufacturing	3000
9.	Digital Stabilizer Design	Digital Stabilizer Design & Manufacturing	3000

**Eligibility Criteria:**

- **S.N 1 to 5:** B.E/B.Tech/M.SC/ in Electronics, Electrical, IT, Computer Sciences
- **S.N 6 to 9:** Diploma in Electronics, Electrical, IT, Computer Sciences

**Batch Registration Starts from:** March 15, 2019. Apply online on [http://tekbrains.in/summer\\_training\\_application.php](http://tekbrains.in/summer_training_application.php).

**Course will commence from:** May2, to July 31, 2019

**Special Focus:**

- Hands on Training on kit and tool
- Interaction with experienced Industry Experts
- Future Employment and Career Prospects
- Participation Certificate will be given

**Earlier Participation by students of Institution (Over 400 students trained)**  
IIT(Delhi),NIT(Patna),BIT(Deoghar)BIT(Patna),KIIT(Bhubaneswar),  
Jaipur National University(Jodhpur),SIT(Tumkur), BCE(Bhagalpur), RPSIT( Patna),  
MACET(Patna),VVIT( Purnea),NSIT(Bihta) & many other Engineering & Science Colleges.

**Training fee** can be paid by online transfer or cash at our office.

Bank details: Tekbrains Pvt. Ltd, State Bank of India, Ramkrishna Nagar Branch, Patna .
